City of Pleasant Hill and Altoona Announce Fair Housing Accessibility Training

PLEASANT HILL, Iowa – April 29, 2015 – The City of Pleasant Hill's Community Development Department and the City of Altoona's Building Department are helping to bring the Fair Housing Accessibility Training to Prairie Meadows in Altoona. The training will educate developers and builders and provide them with the information needed to support those with disabilities under the Fair Housing Act.

The free event will take place on Thursday, May 21 from 8 a.m. to 3:45 p.m. The event allows builders, developers and architects to hear firsthand from experts on the requirements needed to meet the needs of those with disabilities.

Eastern Polk County continues to expand and building officials for the City of Pleasant Hill and the City of Altoona are looking forward to jointly hosting this educational event. Building Officials, Michael Pardekooper with the City of Pleasant Hill and Jeff Harden with the City of Altoona are both Master Code Professionals (MCP). Pardekooper and Harden have both demonstrated their commitment to the profession, diverse knowledge of codes, and a high level of self-initiative.

Members of the design, development, and building community are encouraged to attend. Additional information can be found by visiting pleasanthilliowa.org.
