### **Public Open House Unveiling Comprehensive Plan**

**PLEASANT HILL, Iowa – October 15, 2015** – On Thursday, Oct. 29, 2015 an open house will be held to unveil the Comprehensive Plan and the Parks, Recreation and Open Space Master Plan recommendations for the community. The public is invited to attend the open house anytime between 4 and 7 p.m. at Riley Resource Group, 4400 E. University Avenue in Pleasant Hill. Members of the Consultant Team and City staff will be on hand to answer questions.

The Comprehensive Plan will provide the road map for future growth and development over the next 20 years. The plan will provide guidance for the types of investment to maintain and enhance the community's overall character, cultural identity, and natural assets. The draft plan recognizes the future opportunities for Pleasant Hill to see growth in new commerce, employment, and housing. As development continues, the community will benefit from a common vision and guide to ensure local values are sustained and objectives are met.

Questions and input from the public are welcome during the open house. More details about the planning process, public meetings, and draft documents can be found by visiting the [Comprehensive Plan's website](#).
