CAN-tree Collection Food Drive, Brings Community Together to Fight Against Hunger

PLEASANT HILL, Iowa – December 7, 2015 – This holiday season, we invite you help spread the holiday cheer by participating in the CAN-tree Collection to benefit Caring Hands Food Pantry. The City of Pleasant Hill invites business and community members to help build a Christmas tree at City Hall out of canned goods to tackle hunger.

Our goal is to collect approximately, 600-800 canned goods to create a healthy looking tree. All canned goods collected will be donated to Caring Hands Food Pantry, which is located right here in Eastern Polk County. It's unfortunate, but at Caring Hands around 1,000 people are served each month, 397 of those are children. To help feed those 300 plus families in need within our communities, we are in need of your help.

With the communities help, we can meet our goal to build a healthy and prosperous looking CAN-tree. Canned goods can be dropped off at City Hall or the Public Library until Friday, Dec. 18.
