Border Collie Rescued by Firefighters After Chasing Ducks in Copper Creek Lake

PLEASANT HILL, Iowa – The Pleasant Hill Fire Department firefighters were dispatched to Copper Creek Lake today to rescue a Border Collie who had slipped his owners collar.

Upon arrival, the rescue crew observed a Border Collie swimming in the middle of Copper Creek Lake, chasing ducks. The duck kept a close eye on the dog as she was looking to protect her ducklings that were swimming directly in front of her.

Once the rescue crew reached the dog, he looked very tired as he had been swimming for over an hour trying to capture the duck. They were able to guide the dog to shore where he was reunited with his owner.
