Required Attachments

State the purpose and provide a description of project (attach additional sheet if needed):

- Complete grading construction drawings showing existing utilities and adjoining property lines. Drawings to be Certified and stamped by an Iowa Licensed Professional Engineer.
- Copy of Storm Water Pollution Prevention Plan. (SWPPP)
- Letter of Authorization from Iowa Department of Natural Resources.
- Permit Fee: 1 Acre or less \$35.00. Greater than an acre \$75.00. Work prior to permit \$150.00

Applicant agrees to abide by all provisions of the City of Pleasant Hill Code of Ordinances applicable to this project, including specifically those ordinances applicable to construction and right-of-way excavation. The undersigned certifies under penalty of perjury, pursuant to the laws of the State of Iowa and on behalf of the applicant he/she has authority to act on behalf of the applicant and the statements contained herein, and the attachments hereto, are true, accurate and correct.
